

Matilda & Patrick

TECH & STAGE PLOT

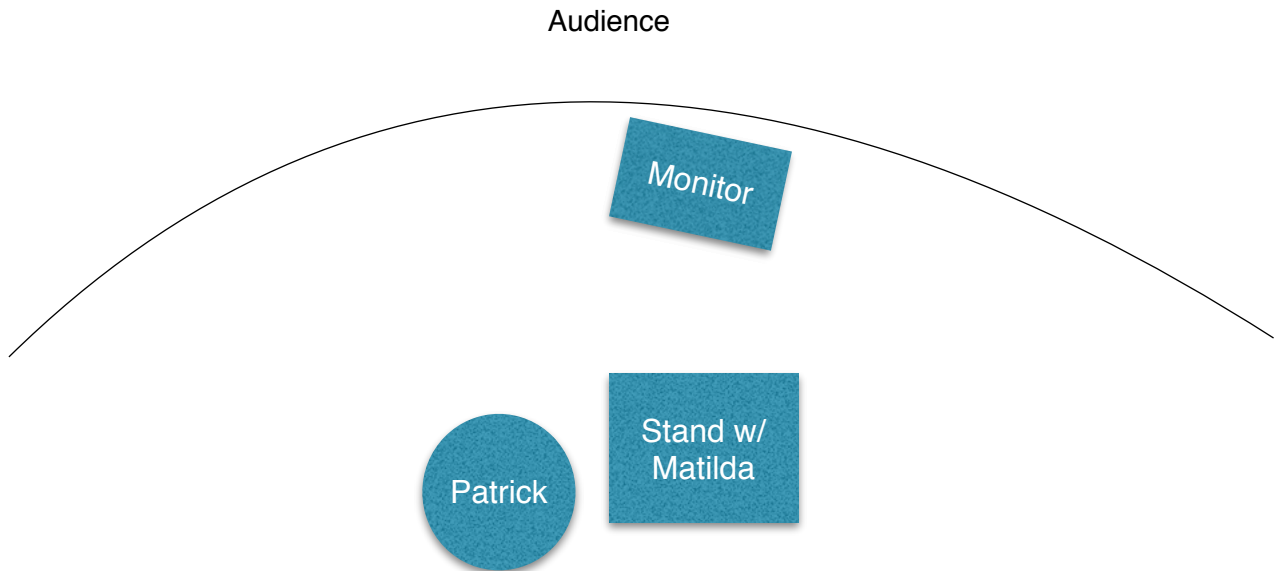

GENERAL

- Matilda & Patrick use a wireless headset.
 - Plugs into venue's body pack.
 - If no body pack is available, a hand held mic on a stand can be used.
- A second mic stand is used to sit the puppet (Matilda) on.
 - It is used as a table base. Talent brings the table.
- Need a monitor on stage (center/center right) with voice in mix.

LIGHTING

- General stage wash
- Spots, if available, focused center stage on Matilda & Patrick
